CHAPTER 1. GENERAL

1.1 Purpose and Scope

Mojave Air & Space Port (formerly known as East Kern Airport District) (“District”) has become world renowned as the flight research center for aviation and commercial space flight, hosting the latest and most advanced aeronautical designs. Numerous companies engaged in light industrial to highly advanced aerospace design, flight test and research, to heavy rail industrial make Mojave a true economic engine for the East Kern Region. Our success in achieving these responsibilities depends on efficient and skilled teamwork among all members of the staff. This handbook sets the framework for employment with the District.

The Employee Handbook is supplemental to those employment terms and conditions contained in the District’s Board Policies. If any provision of this handbook is contrary to the Board Policy, the Board Policy is the governing and final authority on such matters. Finally, the District may, but is not required to, enter into written employment agreements with employees. Where this handbook and a written employment agreement signed by the District contradict, the written agreement controls.

1.2 Changes

Apart from those policies required by law, District may change employment policies or practices at any time without further notice. This handbook may be amended only by the District’s Board of Directors.

1.3 Distribution

This handbook and amendments shall be distributed to all employees with Mojave Air & Space Port.

CHAPTER 2. CONDITIONS OF EMPLOYMENT

2.1 General

Terms and conditions of employment are set forth in this chapter except where the District and an employee have entered into a written employment agreement. No implied or unwritten employment terms or conditions exist.

2.2 Equal Employment Opportunity

The District is an equal employment opportunity employer. Employment decisions are based on merit and business needs, and not on race, color, citizenship status, national origin, ancestry, sexual

orientation, age, religion, creed, physical or mental disability, physical handicap, medical condition, marital status, veteran status, or other basis prohibited by law. The District makes reasonable accommodation for handicapped and disabled persons.

2.3 Definitions

Unless otherwise apparent from context, the following terms are defined for the purposes of this Handbook:

Regular Employee means an employee who has completed the introductory period.

Temporary Employee means an employee who is hired for a specific project or determinate period, usually six months or less.

Part-time Employee means an employee routinely working less than 128 hours per month.

Full-time Employee means an employee routinely working at least 160 hours per month.

Exempt Employee means an employee who is exempt from the overtime pay requirements of the Fair Labor Standards Act.

2.4 Positions Authorized

The District may engage full and part-time employees. The status of an employee shall be determined and documented before work commences.

2.5 New Hires

- a) Offers of employment are contingent on verification of an employee's right to work in the United States. Before the first day of work, a prospective employee shall provide original

- documents verifying the right to work and sign a verification form required by federal law. If the employee cannot verify the right to work in the United States, the District may be obligated to terminate employment.
- b) Employees are introductory employees for the first six (6) months of employment. During this period, an employee will have an opportunity to learn their new position and see whether they wish to continue their employment. The District will use this period to determine if the employee is able to meet the District's expectations. Introductory periods may be extended for business reasons, because of permitted time off taken by the employee, or to further evaluate the employee.
 - c) Employees who drive vehicles must possess a valid Drivers' License and must remain insurable under the District's insurance policy. Employees will be requested to enroll in the Pull-Notice Program with the DMV. The District reserves the right to examine at any time the driving record of an employee whose job function requires him/her to drive for the District. All employees who are required to possess a valid driver's license must immediately notify Human Resources, of any suspension, revocation, or administrative withdrawal of their driver's license upon such loss. Such employees shall not, under any circumstances, operate a motor vehicle for the District when their driver's license is under suspension, revocation, or administrative withdrawal, or at any time they do not possess a valid driver's license. If an employee operates a motor vehicle for the District without meeting the proper statutory license requirements or fails to notify Human Resources of loss of license as required here under, he/she may be disciplined up to and including termination.
 - d) During the introductory period, and the entire course of employment, employees are at-will employees. Successful completion of the introductory period is not a guarantee of continued employment.

2.6 Outside Employment

An employee's position with the District is their primary work responsibility. So they can do their best work, employees are requested not to work full time for another employer while employed with the District.

2.7 Personnel Records

- a) The District keeps a personnel file on each employee. The contents of the file, except for

letters of reference, and certain other limited kinds of information, are open for an employee's inspection at reasonable times and at reasonable intervals, upon request. An employee may make copies of certain papers from their file. Employees must notify the Director of Administration if they wish to see or copy their personnel file.

- b) Employees must keep the District informed in writing of their current address and telephone number. An employee may desire to inform the District of personal changes, such as marital status or changes in the number of dependents, so their records and benefits are kept up to date.
- c) The District will keep personnel records private. However, there are certain times when information may be given to persons outside the District. These are:
 - 1) in response to a subpoena, court order, or order of an administrative agency;
 - 2) in a lawsuit, grievance, or arbitration in which the employee and the District are parties;
 - 3) to administer employee benefit plans;
 - 4) to a health care provider;
 - 5) to a prospective employer or other person requesting a verification of an employee's employment, but only if (a) an employee gives the District a written release allowing information to be given, or (b) the District is providing only the dates of employment, last or present job title, and the fact of employment.

- (E) If compensation is paid to an employee for accrued CTO, the compensation shall be paid at the regular rate earned by the employee at the time the employee receives payment.
- 2) An employee who has accrued CTO authorized to be provided under subdivision (1) shall, upon termination of employment, be paid for the unused CTO at a rate of compensation not less than the average regular rate received by the employee during the last three (3) years of the employee's employment, or the final regular rate received by the employee, whichever is higher.
 - 3) An employee who has accrued CTO authorized to be provided under subdivision (i)(1) shall use that time by the end of the fiscal year in which it was earned. An employee who requests the use of CTO shall be permitted to use the time within a reasonable period after making the request, if the use of the CTO does not unduly disrupt the operations of the District.

An employee working seven (7) hours or more may take two (2) ten (10) minute breaks and a lunch break of at least thirty (30) minutes. Ten (10) minute breaks are compensated as hours worked. An employee working during any portion of their lunch break will be compensated for the work at the regular hourly rate. However, if their hours exceed forty (40) hours in a workweek, they will be paid time and a half (1.5) for hours over forty (40). Firefighters and Security personnel are considered mission essential and will be compensated with pay for a half (½) hour working lunch period.

3.4 Work Schedule

The normal work week is Monday through Friday. Shift schedules vary by position. Each employee is expected to report to work soon enough to start the job at the beginning of the workday. The particular schedule of each employee may vary, according to their position/department. If an employee requests a change in their work schedule, the District will consider the request and may make the change. Firefighters and Security personnel shifts are set to meet mission requirements.

3.5 Payroll Deductions

- a) Federal and state laws require the District withhold taxes from an employee's wages, including federal and state payroll taxes, Federal Insurance Contributions Act (FICA, also known as social security and Medicare), and California State Disability Insurance (SDI).
- b) An employee must inform the Director of Administration of a change in the number of the exemptions or marital status for federal or state tax withholding purposes.
- c) The District will comply with wage garnishment orders. A garnishment will reduce an employee's take-home pay.

3.6 Timekeeping

- a) Time cards are prepared electronically for each pay period by the employee or manager/supervisor, and are to be approved after the close of the pay period by the employee and manager/supervisor. It is important for employees to keep accurate time cards and submit when they are due. A time card is a legal document and must not be tampered with. Completing a time card for a fellow employee or falsifying one's own time card is dishonest and may lead to immediate discharge.

- b) Mandatory employee meetings count as hours worked. If an employee is required by the District to attend educational or training activities, the employee will be compensated at the regular hourly rate for their attendance time.
- c) Each employee must immediately notify the Director of Administration if a payroll check does not reflect time worked during the pay period.

3.7 Expense Reimbursement

- a) The District may require employees to use their vehicles on District business or may provide use of a District vehicle for District business. When travel is authorized by the District, an employee shall be paid pre-approved reasonable and necessary reimbursement for all expenses in connection with District business.
- b) Officers and employees shall be entitled to reimbursement for authorized use of their privately-owned vehicles in the conduct of business, at the mileage reimbursable rate set by the Internal Revenue Service.
- c) Expenses shall be submitted with an expense report. All receipts for purchases made on behalf of the District must be included with the report. Detailed information must be included in the report for mileage reimbursement.
- d) Automobile rental expenses shall be approved in advance by a member of the executive staff. Airfare reimbursement shall be at government or coach rate, if available. Taxi fares are reimbursable only if shuttle service is not readily available.
- e) When an employee is authorized by a member of the executive staff to incur a reimbursable meal expense, the employee shall submit paid receipts or other evidence the expense has been incurred. In the absence of paid receipts, the amount of reimbursement shall not exceed twenty-five dollars (\$25.00) per day.
- f) When an employee is authorized by a member of the executive staff to incur a reimbursable lodging expense, the employee shall submit paid receipts or other evidence that the expense has been incurred. An employee may receive an advance on anticipated lodging expenses based on published rates. The advance shall be reconciled with actual expenditures within thirty (30) days following the activity.

3.8 Holidays

- a) The District shall remain open except on the following holidays:
 - New Year's Day (January 1st);

- Memorial Day (The last Monday in May);
 - Independence Day (July 4th);
 - Labor Day (The first Monday in September);
 - Thanksgiving Day and the following Friday;
 - Christmas Day (December 25th); and
 - Three (3) Floating Holidays.
- b) If a holiday falls on Saturday, it will be observed the preceding business day. If a holiday falls on Sunday, it will be observed on Monday. If a holiday falls on a Tuesday or Thursday, the District shall determine when it shall be observed. Holidays that fall during a scheduled vacation do not count as a vacation day.
- c) Regular full-time employees shall be paid their regular salaries for each holiday if the employee does not work. Regular full-time employees authorized to work on a holiday shall be paid at one and one-half (1.5) times the regular rate of pay for the hours worked, and the regular rate of pay for hours not worked.
- d) Part-time, non-salaried employees shall not be paid for holidays if the employee does not work. If a part-time employee works on a holiday, the employee will be compensated at the regular rate, unless the employee works overtime.

CHAPTER 4. BENEFITS

4.1 Eligibility for Benefits

The District provides the following employee benefits when the conditions have been met.

4.2 Vacation Pay

- a) Regular, full-time employees will accrue one (1) workweek of paid vacation during their first year of employment, which may be used as it is accrued. (1.54 hours per pay period). After the first year of service, regular, full-time employees shall earn two (2) workweeks of paid vacation (3.08 hours per pay period). After four (4) years of service, regular, full-time employees shall earn three (3) workweeks of paid vacation (4.62 hours per pay period). After completion of fourteen (14) years of service, regular, full-time employees shall earn four (4) workweeks of paid vacation (6.15 hours per pay period). Vacation benefits do not accrue when a full-time employee is on leave for any reason other than vacation or a District holiday.

- b) The scheduling of an employee's vacation is based on the District's operational needs and the requests for vacation and leaves of absence of other employees. All vacation requests must be approved in advance by a member of the executive staff. If there is a conflict in requests for time off, the person with the most seniority will be given preference. The District will also consider operational needs.
- c) In the event that accrued vacation time is not used by the end of the year, employees may carry over unused vacation hours, not to exceed two hundred and forty (240) hours. Unused vacation time may only be cashed out by an employee under exigent circumstances and upon approval by the Board of Directors.
- d) An employee may not take a paid vacation before accruing paid vacation time. If an employee takes a vacation but does not have accrued vacation time, the employee will not be compensated for the time off. If an employee takes more vacation time than is accrued and leaves the District, the amount of unearned vacation time taken will be deducted from the employee's final paycheck.
- e) Vacation benefits are not earned when an employee is on a leave of absence or suspended.
- f) Part-time employees who become regular, full-time employees shall complete twelve (12) months of full-time service before earning one (1) workweek of paid vacation days. Vacation pay accrues at the same rate for all regular, full-time employees.

4.3 Sick Leave and Disability Payments

- a) Persons employed full-time by the District for at least thirty (30) days in a Twelve (12) Month Period are eligible for sick leave as follows: sick leave shall accrue at the rate of 1.54 hours of paid leave for each pay period up to a maximum of eighty (80) hours. Upon retirement, full-time employees with at least five (5) years but less than ten (10) years of service shall be paid for fifty percent (50%) of accumulated unused sick leave, and full-time employees with ten (10) or more years of service shall be paid for one hundred percent (100%) of accumulated unused sick leave, paid at the employee's salary rate at the time of retirement. Except as expressly provided in this section 4.3(a), unused sick leave is not compensable at termination of the employment with the District.
- b) Persons employed part-time, temporary, and per diem (collectively, "Part Time") by the District for at least thirty (30) days in a twelve (12) month period are eligible for three (3) days or twenty-four (24) hours of sick leave as follows: paid sick leave shall accrue at the

rate of one (1) hour for every thirty (30) hours worked. Part-time employees may carry over six (6) days or forty-eight (48) hours of sick leave but may not use more than three (3) days or twenty-four (24) hours in a twelve (12) month period regardless of the amount carried over. Unused sick leave will not be paid out at the termination of a Part-time employee's employment with District.

- c) "Twelve (12) month period" means: (1) July 1 to June 30 for those persons employed by the District on July 1, 2015, or (2) the twelve (12) month period from their date of hire for those hired after July 1, 2015. If an employee's employment with the District is terminated and that employee returns to work for the District within twelve (12) months of the termination, that employee's sick leave shall be restored as it was at termination.
- d) Sick leave may be taken ninety (90) days after commencement of employment by the District or thirty (30) days of actual work, whichever is later. Sick leave may be used for preventive care or care of an existing health condition of an employee or the employee's spouse, domestic registered partner, child, parent, grandparent, grandchild, or sibling. Sick leave may also be used by employees who are the victim of domestic violence, sexual assault, stalking. Full-time employees may use sick leave for bereavement leave, but not to exceed five (5) days in a twelve (12) month period.
- e) Employees may use paid sick leave upon oral or written request. If the need is foreseeable the employee must give the District reasonable advance notice, but where the need is unforeseeable an employee must give notice as soon as practicable.
- f) If an employee is hospitalized or out sick for more than seven (7) calendar days for an injury or illness not work-related, the employee should apply for State Disability Insurance (SDI) benefits. These benefits will be coordinated with sick pay.
- g) Sick leave may be used when adverse weather conditions create difficulty for employees to report to work or make it advisable for employees to leave work early. Employees who anticipate problems with transportation are encouraged to exercise personal judgment concerning road safety in their areas.
- h) Under the California Family Rights Act of 1993 (CFRA), if an employee has more than twelve (12) months of service with the District and has worked at least one thousand, two hundred and fifty (1,250) hours in the twelve (12) month period before the date the employee would like to begin leave, the employee may have a right to an unpaid family

care of medical leave. This leave may be up to twelve (12) weeks in a twelve (12) month period for the birth, adoption, or foster care placement of the employee's child or for the employee's own serious health condition or the serious health condition of the employee's child, parent or spouse. If possible, the employee must provide at least thirty (30) days advance notice of a foreseeable event. For events that are not foreseeable, the employee must notify the District, at least verbally as soon as the employee knows of the need for the leave. Failure to comply with these rules is grounds for, and may result in, deferral of the requested leave until the employee complies. The District may require a certification from a health care provider before allowing a leave for pregnancy or the employee's own serious health condition, or certification from the health care provider of the employee's child, parent, or spouse who has a serious health condition before allowing a leave to take care of the family member. When medically necessary, leave may be taken on an intermittent or reduced work schedule. The basis minimum duration of leave for birth, adoption or foster care is two (2) weeks, and the employee must conclude the leave within one (1) year of such event. Taking CFRA leave may impact certain benefits and seniority.

- i) If an employee has worked for the District for at least one (1) year and for one thousand, two hundred and fifty (1,250) hours over the past twelve (12) months, the employee may be eligible for unpaid leave under the Family and Medical Leave Act (FMLA). Under the FMLA, leave is available (1) to care for the employee's child after birth, or placement for adoption or foster care, (2) to care for the employee's spouse, son or daughter, or parent who has a serious health condition, or (3) for a serious health condition that makes the employee unable to perform the employee's job. The employee must provide thirty (30) days advance notice when the leave is foreseeable. The District requires a medical certification to support a request for leave due to a serious health condition and may require a second or third opinion at District expense, and a fitness for duty clearance before return to work. Health insurance will be maintained under the group plan during leave. Employees will not be discriminated against for taking such leave, and employees taking such leave will retain the benefits they accrued prior to taking such leave. If you have any questions concerning leave, or require forms, please see the Director of Administration.

4.4 Continued Benefits

- a) Permanent, full-time officers and employees are eligible for participation in the retirement

program through the Public Employees' Retirement System (P.E.R.S.). Eligibility for participation in the program shall be determined on the basis of the contract between P.E.R.S. and the District. Employees hired prior to prior to January 1, 2013 are considered classic members for Miscellaneous and Safety. Employees hired after January 1, 2013 will receive retirement benefits calculated under the PEPRA 2013, The California Public Employees' Pension Reform Act of 2013, unless they have already been classified by CalPERS as a classic member.

- b) Employees hired prior to October 1, 2017 that reach retirement age and who have been an active member of P.E.R.S. for at least five (5) years and their dependents are eligible for continued participation in the District's group medical plan. All employees shall receive the benefit of Workers' Compensation Insurance as provided by law.

4.9 Tuition Assistance Program

- a) The District has a tuition assistance program to encourage employees to plan and direct their career and personal development, and increase their skill base for work with the District. The tuition assistance program provides financial aid and paid leave for educational courses and programs in accordance with the following procedures.
- b) All full-time employees with six (6) months or more of service with the District are eligible to participate in the tuition assistance program.
- c) Acceptable Courses and Programs:
 - 1) Basic reading, writing, English language, and arithmetic courses;
 - 2) Courses or programs to maintain or improve skills required in the employee's current job, or next higher-level job to which the employee aspires;
 - 3) Courses or programs relevant to or required for a skill, license, certification, or degree appropriate to the individual's career development and the District's need for the particular craft;
 - 4) Specific degree programs, including GED, Associate, Bachelors, and graduate degrees in all areas relevant to the District's operations; and
 - 5) Test preparation classes for promotional examinations within the District.
- d) Acceptable Educational Institutions include accredited postsecondary institutions, certified correspondence schools and other institutions, organizations, or individuals approved by the District.
- e) The District will pay 100% of tuition costs (including Registration, books and laboratory fees) for acceptable course(s) or program(s) up to the maximum of Ten Thousand dollars (\$10,000), in the District's sole discretion, per eligible employee in any fiscal year. The \$10,000 maximum benefit is available to employees who wish to further their education within their current work field at the District. If employees wish to pursue education not related to their current work field at the District, the maximum benefit is \$5,000. Tuition payments will be made directly to the educational institution or reimbursed to the employee upon completion of the course or program.
- f) Employee is required to bring in proof of the final grade of the course or program taken. If the employee does not show proof of the final grade within 60 days of completion of

course, he or she will be required to reimburse the District, either by personal check or by payroll deduction, in full all funds paid by District.

- g) Employee will be required to have a grade of “B” or above for undergraduate and graduate degree programs, and a passing grade (e.g. “D” or higher) for all other courses. If employee does not achieve the required grade, he or she will be required to reimburse the District in full for funds paid by District.
- h) Employees receive regular wages and benefits when participating in any of the two (2) following leave arrangements:
 - 1) Personal time off: employees may rearrange their regular working hours to schedule a course or programs;
 - 2) Short-term leave: employee may request up to five (5) days leave per year to complete a specific educational activity during working hours.
- i) Procedure for Applying for Financial Assistance:
 - 1) The employee completes a payment request form available from Administration.
 - 2) The form is submitted to the employee’s immediate supervisor who reviews and forwards it to the General Manger with a recommendation.
 - 3) The General Manger reviews, recommends, and forwards the request to Administration.
 - 4) If either the supervisor or General Manager disapproves the request, or the course or institution are unacceptable, Administration will meet with employee, to work out an alternative course of study.
 - 5) If approved by both the supervisor and General Manager, Administration confirms course(s) and institution eligibility.
 - 6) Upon completion of an academic term, the employee shall submit his or her academic transcript to Administration who will confirm compliance with this policy and forward the request to the accounting department to submit payment to the institution or reimbursement to the employee.
- j) Procedures for Applying for Educational Leave:
 - 1) Personal time off: the employee arranges with his or her immediate supervisor a modified work schedule.
 - 2) Short-term leave requests must be approved by supervisor and General Manager.

4.10 Changes in Policy

The District reserves the right to cancel or change the benefits it offers to its employees.

CHAPTER 5. JOB PERFORMANCE

5.1 Evaluations

- a) The District may review the job performance of employees. The purposes of the evaluations are:
 - 1) to evaluate the strengths and weaknesses of the employee's work;
 - 2) to communicate these to the employee; and
 - 3) to set future performance goals.
- b) Employees are encouraged to ask specific questions about and to comment on their evaluation. Employees may offer written comments on the evaluation form. The employee may obtain a copy of the completed form. A good performance evaluation does not guarantee a pay raise, because pay increases may not occur every year, nor is a good evaluation a promise of continued employment.

5.2 Attendance and Absences

- a) Attendance is a basic indicator of an employee's performance. An employee must report to work on time. If an employee cannot come to work, or will be more than a few minutes late, the employee must inform a member of the Executive Staff of expected arrival time.
- b) Excessive absences, failure to report absences on time, and/or tardiness will lead to discipline, up to and including discharge. Absences are excessive if they occur frequently, or if they show a pattern. Absences immediately before or after a holiday and weekends are suspect. Frequent absences for minor complaints such as a headache or stomachache are also suspect.

CHAPTER 6. UNPAID LEAVES OF ABSENCE

6.1 Approved Leaves of Absence

- a) The General Manager may grant unpaid leaves of absence for the convenience of the employee. An employee's introductory period is extended by the number of days of absence. Temporary employees are not eligible for a leave of absence.
- b) Except as required by law, the District cannot guarantee the employee's position will be

open upon return from an extended leave of absence. If the position has been filled or eliminated the District will try to find the employee a comparable position.

- c) Unpaid leaves of absence will be permitted for medical leave and non-occupational disability conditions.
- d) The District requires written proof from a licensed doctor that the employee's disability has started or ended before allowing the employee to take a leave or return from leave to assume full or modified duties with limitations. The employee must provide the following information as soon as known: (1) how long the employee expects to be on disability leave; (2) a doctor's certificate, or other medical proof acceptable to the District, showing the expected dates of the employee's disability; and (3) regular updates at least every week regarding the employee's medical status and the date the employee expects to return to work. Applications for leaves of absence for disability because of pregnancy or childbirth should be submitted at least two (2) weeks before the start date of such leave, if possible.

6.2 Pregnancy Disability Leave

- a) Under the California Fair Employment and Housing Act (FEHA), if an employee is disabled by pregnancy, childbirth or related medical conditions, they may be eligible to take a pregnancy disability leave. An employee affected by pregnancy or a related medical condition, may also be eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties if the transfer is medically advisable. The District will treat pregnancy disability the same as other disabilities of similarly situated employees. This affects whether leave will be paid or unpaid.
- b) The pregnancy disability leave is for up to four (4) months or eighty-eight (88) workdays for a full-time employee) per pregnancy for actual disability caused by your pregnancy, childbirth or related medical conditions. The pregnancy disability leave does not need to be taken in one continuous period of time but can be taken on an as-needed basis. Time off needed for prenatal care or morning sickness may not be covered by your pregnancy disability leave. An employee should consult their physician to obtain certification that the situation is covered by pregnancy disability leave.
- c) The employee may be required to obtain a certification from a health care provider confirming either pregnancy disability or the medical advisability for a transfer. The certification should include:

- 1) the date disability due to pregnancy commences or the date of the medical advisability for transfer;
 - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer; and
 - 3) a statement that, due to the disability, the employee is unable to work or to perform any one or more of the essential functions of the position without undue risk to the employee, the successful completion of the pregnancy or to other persons, or a statement that, due to the pregnancy, the transfer is medically advisable.
- d) At the employee's option, accrued vacation or other accrued time off may be used as part of pregnancy disability leave before taking unpaid leave. The employee may be required to use available sick leave. An employee may also be eligible for State Disability Insurance for the unpaid portion of leave.

6.3 Medical Leave: Occupational Disability

If an employee is injured at work, the employee may be placed on Workers Compensation until: (1) a recognized medical professional certifies the employee is allowed to resume all of the duties of the employee's former position; (2) the employee is unable to come back to work in their position (i.e., the employee's condition is permanent and stationary); or (3) the employee resigns, quits, or otherwise indicates they are not going to return to their job.

6.4 Military Service

Employees are eligible for military leaves of absence. The specific terms and nature of their right to return to their job after a military leave is governed by law.

6.5 Jury Duty

Employees absent for service on petit jury shall be paid regular district salary by endorsing the jury fees, less mileage payments, to the District.

6.6 Witness Duty

An employee who is called to answer a subpoena as a witness in an official capacity shall be compensated at his /her regular rate of pay for all hours of absence from work due to answering the subpoena and provided the employee shows proof of the subpoena and deposits witness fees received for the hours, exclusive of mileage, with the District.

An employee subpoenaed to appear in court in a manner unrelated to his/her official capacity as a District employee shall be permitted time off without pay, or the employee may choose to use accrued

vacation for this purpose.

6.7 Voting Time

a) If an employee does not have sufficient time outside of working hours to vote at a statewide election, the employee may, without loss of pay, take off enough working time that, when added to the voting time available outside of working hours, will enable the employee to vote.

b) If an employee anticipates taking more than two hours off for voting, the employee should notify the appropriate supervisor of this need. The time off for voting shall be only at the beginning or the end of the regular working shift, whichever allows the most free time for voting and the least time off from the regular working shift, unless otherwise mutually agreed.

c) If the employee on the third working day prior to the day of election, knows or has reason to believe that time off will be necessary to be able to vote on election day, the employee shall give the employer at least two working days' notice that time off for voting is desired, in accordance with this section.

CHAPTER 7. DISTRICT RULES STRICTLY ENFORCED

7.1 General

- a) Work rules are necessary to good management, employee safety, effective work and fairness. Listed below are examples of unacceptable conduct. Because it is not possible to list every possible form of unacceptable conduct, there may be other conduct not listed that is contrary to the District's interest that is not allowed.
- b) The District expects high quality work from its employees, and expects employees to conduct themselves in a businesslike manner. If discipline is necessary, it may take the form of an oral warning, a written warning, suspension without pay, demotion, reduction in pay, or discharge, at management's discretion. A negative performance evaluation will count as a written warning. The District has the right to determine what discipline is appropriate. There is no standard series of disciplinary steps the District must follow. In certain circumstances, an employee's conduct may lead to immediate discharge.
- c) If an employee is disciplined the employee may follow the procedure in Board Policy 300 – Personnel - for appealing such discipline. The procedure in Board Policy 300 is the employee's sole recourse for an appeal of disciplinary action.

7.2 Violations for Which an Employee May Be Discharged

The following conduct may result in immediate discharge without warning:

- a) Malicious or willful destruction or damage to District property or supplies, or to the property of another employee, customer or visitor;
- b) Stealing or removing without permission District property or property of another employee, customer or visitor;
- c) Acts of dishonesty, including obtaining employment with the District by lying or giving false or misleading information, falsifying any employment documents or records, including the employee's or a co-worker's time records, and other acts of dishonesty;
- d) Bringing or possessing firearms, weapons or other hazardous or dangerous devices or substances onto District property without proper authorization;
- e) Possession, use, or sale of alcoholic beverages or illegal drugs on District property, or reporting for work under the influence of alcohol or illegal drugs;
- f) Insubordination, including improper conduct toward a supervisor, or refusal to perform tasks assigned by a supervisor;
- g) Fighting on District property;
- h) Harassing, threatening, intimidating, or coercing another employee;
- i) Giving the District's products away free of charge, or at a discount, to any person, or in violation of the District's policies;
- j) Pleading guilty to or being convicted of any crime other than a minor traffic violation;
- k) Failure to follow District procedures for maintaining the confidentiality of the District's proprietary information or confidential customer information.
- l) Any violation for which an employee may be disciplined may, in appropriate cases, result in discharge.

7.3 Violations for Which An Employee May Be Disciplined

The following conduct will result in discipline. The type of discipline will depend on how serious the violation is and the specific facts and circumstances of the conduct. Discipline includes oral or written warnings, suspension, or discharge:

- a) Unsatisfactory job performance;
- b) Not following an established safety rule;
- c) Tardiness or excessive absence from work or work area, including taking too long for

- lunch and break periods;
- d) Leaving the District's premises or the employee's job during working hours without notifying the employee's supervisor and obtaining permission;
 - e) Horseplay or any other action that is dangerous to others, or to District property, or that disrupts work;
 - f) Smoking in areas where "No Smoking" signs are posted;
 - g) Working unauthorized overtime or failing to submit time records or overtime records;
 - h) Use of abusive or vulgar language;
 - i) Carelessness or negligence in doing their job;
 - j) Using District equipment without permission;
 - k) Possessing or removing District or employee property, food, or other items without permission;
 - l) Sleeping while on duty;
 - m) Abuse of sick leave;
 - n) Inappropriate appearance or grooming;
 - o) Failure to notify a supervisor when unable to report to work, or unreported absences of three (3) consecutive scheduled workdays;
 - p) Discrimination, harassment, or retaliation, or failure to investigate discrimination or harassment, or violation of any other District, state, or federal workplace laws.

7.4 Personnel Safety, and Security

The work environment must be safe and secure, and free from harassment. Employees must act in a professional manner toward fellow employees, customers and members of the community. To maintain confidentiality of appropriate District information, it is important employees follow District's rules regarding dress, safety, and security.

7.5 Employee's Responsibility

- a) Safety is a vital concern with the District and is one of the employee's most important responsibilities. Following the District's Injury Illness Prevention Program and all safety policies/procedures is essential. If an employee sees an unsafe condition, the employee must report it to their Immediate Supervisor or a member of the Executive Staff. The employee must also report all accidents, no matter how minor. The employee must also learn the location of the nearest first aid kit, fire extinguishers, and exits.

- b) The District requires all equipment and machinery be in proper working order and safe to work with at all times. If any equipment or machinery breaks down, do not use it until a qualified technician makes sure it is repaired and safe.
- c) Employees should not try to fix broken equipment or machinery themselves. Employees should notify their Immediate Supervisor of any equipment breakdown as soon as it happens. If the breakdown requires emergency repairs, a member of the Executive Staff will try to deal with the emergency situation as soon as possible.
- d) From time to time the District conducts formal safety training. An employee's attendance at safety training sessions is mandatory.
- e) District employees may be exposed to confidential customer information, such as test and operations schedules and other proprietary information. It is the employee's responsibility to keep such information confidential and discuss only with other employees known to have access to the information.

7.6 Computer Use

- a) Use of the District's computers is restricted to employees. Any non-employee use of the computers is prohibited unless prior authorization is given. Employees are prohibited from changing in any way the setup and structure of the computer network. The District may, at any time, inspect any of the District's computers or other parts of its IT system. Employees have no right of privacy on any District computer or the IT system.
- b) The District's computer, voicemail, e-mail and facsimile systems are owned by the District, are public property, and may not be used for the conduct of personal business. Messages and files should be limited to the conduct of business. In addition, the District's computers and electronic data systems may not be used to: (1) solicit for commercial ventures, religious or political causes, outside organizations, or other non-job related solicitations without the permission of the District; and (2) send or receive copyrighted materials, trade secrets, proprietary information, financial information or similar material without prior authorization. The District reserves the right to review, audit and/or disclose any message or file composed, sent, or received within its computers or its systems. Passwords for any District electronic data systems are confidential and may not be shared with unauthorized persons.

- c) Employees are prohibited from using any District computer or electronic data systems in any manner that may reasonably be considered offensive or disruptive to another employee or violates any law.

7.7 On-the-Job Injuries

- a) If an employee is injured on the job, the employee must get medical treatment immediately. If necessary, an ambulance should be called. If the injury is less serious, the supervisor must make arrangements to have the employee taken to the doctor.
- b) If an employee is injured while performing their job, they may be covered by the District's workers' compensation insurance. The employee must report the injury to their Immediate Supervisor/Business Operations Director as quickly as possible, no matter how minor, and even if the employee does not need medical treatment. The Immediate Supervisor will make a report of the injury as soon as possible after the injury happens and provide a copy to the Business Operations Director. Claims for workers' compensation benefits should be made to the Business Operations Director.

7.8 Life-Threatening Diseases

The District is committed to keeping the work environment healthy and safe for all employees, and has established these rules that employees should follow if an employee or a co-worker has or contracts a life-threatening illness:

- a) The District will treat life-threatening illnesses the same as other illnesses in terms of employee policies and benefits.
- b) If an employee has or contracts a life-threatening illness, the employee will be allowed to keep working, as long as: (a) the employee can meet the District's performance standards with a reasonable accommodation; (b) the illness does not actually endanger the health or safety of other employees or customers; and (c) the employee will not make their illness significantly worse by continuing to work.
- c) An employee may not refuse to work because they are afraid of contracting a non-contagious life-threatening illness from a co-worker, the employee may be subject to discipline or discharge. Employees may not harass or otherwise discriminate against a co-worker who has a life-threatening illness. Employees who refuse to work with, or who harass or discriminate against any employee with a life-threatening illness, will be disciplined, up to and including discharge.

- d) In this manual, “life-threatening illness” includes cancer, heart disease, Lou Gehrig’s disease, AIDS and other illnesses of a severely degenerative nature.

7.9 Substance Abuse Policy

The District subscribes to federal and state law goals for a “drug free” workplace for the protection of employees and the public. The District prohibits the manufacture, distribution, possession, sale, purchase, exchange, negotiation for sale or purchase, or use of controlled substances in the workplace. Employees will not report for work, stand-by, or call-out duty, when under the influence of alcohol, drugs, or controlled substances. As used in this policy, “controlled substances” does not include lawful use of prescription drugs which do not impair essential job functions.

An employee shall not be at work, or at any site where District work is or will be performed, drive a vehicle on District business, or operate any District equipment, with any amount of illegal drugs or alcohol in his or her system which, under the generally accepted standards applied by industrial safety consultants or hygienists, could be considered sufficient to impair the employee's ability to perform his or her job safely, efficiently or productively. Impairment which could constitute a disciplinary offense need not reach the level of impairment required for a criminal conviction for use of controlled substances or driving under the influence. For example, in the case of alcohol consumption, the .04% standard stated in California Vehicle Code § 23153 for determining driving under the influence by commercial vehicle operators would constitute impairment. Similar standards applied to commercial vehicle operators for impairment by other substances will apply. Employees may not report to work under the influence of illegal drugs. An employee with a lesser amount of alcohol or an impairing legal controlled substance in his or her system may also be considered impaired if, in the opinion of an industrial safety consultant or hygienist, such amount was in fact impairing under the circumstances. Consumption of alcohol on the job, possession of open containers of alcohol on the job, or the ingestion or possession of impairing controlled substances or illegal substances while on the job shall constitute per se violations for which termination is authorized. Any conduct on the job that constitutes, or knowingly aids and abets in the manufacture, distribution, dispensing, transfer, or sale of controlled substances to any person, or that constitutes the provision of alcohol to a minor, shall constitute a per se violation of this policy for which termination is authorized.

When an employee is placed on medication from a health care provider licensed by the State of California to prescribe medications, which may impair his or her ability to perform essential job functions, that employee must immediately notify his or her manager before returning to work. The

District reserves the right to require employees to provide proof that any prescribed medication will not impair the employee in the performance of normal duties and will not create an unsafe environment for other District employees or the public. For purpose of this policy a prescribed medication which is not prescribed for the subject employee is an “illegal drug.”

An employee may seek counseling or treatment for alcohol or substance abuse privately, or through a District health insurance provider. An employee who voluntarily discloses a substance abuse problem will not be disciplined solely based on the above-described drug or substance abuse if the employee voluntarily agrees to a certified rehabilitation program and testing and remains in compliance with this policy.

An employee reasonably suspected of violating this policy, and who has not disclosed a substance abuse problem, will be requested to submit to substance testing which may require the employee to provide a sample of urine, saliva, or blood for chemical analysis. Any unreasonable refusal by the employee to submit to such testing may result in disciplinary action, up to and including termination. Reasonable suspicion exists when significant and observable changes in employee performance, appearance, behavior, speech, etc., provide reasonable suspicion of being under the influence of drugs and/or alcohol. A refusal to consent will not be deemed to be “reasonable” unless the employee had a right to refuse to give such consent under applicable state or federal law.

No employee should consider any vehicle, desk, locker, toolbox or other facility, equipment or property of the District to be his or her “private” property. The District may conduct unannounced searches of District vehicles, desks, lockers, toolboxes, facilities, equipment, computers and District property for illegal drugs or alcohol, or other unlawful contraband or unlawful use of equipment. Employees who do not cooperate during such searches will be considered insubordinate.

Searches of employees and their personal property may be conducted when there is reasonable suspicion that an employee is in violation of this policy. Any refusal to submit to a search could result in disciplinary action, up to and including termination.

Violation of this policy may result in the following, depending on the severity of the violation:

- 1) An employee testing positive for a controlled substance will be immediately placed on leave and may be required to complete a certified rehabilitation program approved by the District. The employee may be offered a “Last Chance Agreement” detailing terms under which the employee may be allowed to return to work following successful completion of a rehabilitation program. Failure of the employee to complete the program and required

conditions (which may include follow-up testing) will result in immediate termination.

- 2) Any employee testing positive for a controlled substance within one year following rehabilitation will be terminated immediately.

Any employee involved in the manufacture, distribution, or sale of a controlled substance, whether or not such action occurred at the workplace, or found to have provided a controlled substance to another employee, will be terminated. Employees who have been made a conditional offer of employment must submit to and pass a drug-screening test. Offers of employment are conditional and subject to the passing of a drug screen for prohibited substances. Failure of an applicant to pass or to submit to the drug screen will result in the applicant's disqualification for employment.

- 1) Employees must provide, within twenty-four (24) hours of a request, verification of a current valid prescription for any potentially impairing drug or medication identified when a drug screen/test is positive. The prescription must be in the employee's name.
- 2) Employees must notify their supervisor of any arrest or conviction under a criminal drug statute within five (5) working days of the arrest or conviction. (Disciplinary action shall not be taken based solely on the arrest, however, disciplinary action may be taken based upon the failure to notify);
- 3) Failure of an employee to comply with this policy or failure to consent to "for cause" and/or pre-placement testing will result in termination or withdrawal of employment offer. Any attempt to adulterate, dilute, or substitute a test specimen is a "refusal-to-test."
- 4) Employees shall be advised in writing of the District's Alcohol and Drug Abuse Policy and Program. Selected managers and supervisors shall attend at least one hour of training on alcohol misuse and at least one hour of training on controlled substances misuse, to include the following issues:

Employee Assistance Programs ("EAP")

- i) Alcohol and drug abuse recognition, symptoms and effects.
 - ii) Methods of identifying and helping employees who might be suffering from personal problems that could signal possible alcohol or drug problems.
 - iii) Methods of referring employees who may be subject to the effects of alcohol and/or drugs to the EAP.
- 1) District policies and procedures related to handling employees who appear to be under the influence.

- 2) Documentation of observations and impressions of persons who show effects of alcohol and/or illegal drugs and reasonable suspicion.
- 3) Alcohol and drug testing policy, rules, procedures, and safeguards.
- 4) Benefit programs and alternatives available.
- 5) Safety aspects of alcohol or drug problems in both work and social environment.
- 6) Training shall be at District expense.

Testing Requirements/Definitions:

- a) Pre-employment testing: As a pre-qualification to assuming any position, prospective employees who have received and accepted a conditional offer of employment are required to provide a body substance sample (saliva, blood, or urine) for drug testing. This occurs in conjunction with the pre-employment medical examination.
- b) Fitness-for-Duty or Reasonable Suspicion Testing: Testing may be required if significant and observable changes in employee performance, appearance, behavior, speech, etc., provide reasonable suspicion of being under the influence of drugs and/or alcohol. If reasonable suspicion exists, the employee will be referred to a medical professional for evaluation. The medical professional will evaluate the employee, and, based on the evaluation, determine whether a test for drugs and/or alcohol shall be administered.
- c) Accident or Incident: Testing may be required when an accident or incident occurs which nature creates reasonable suspicion of impairment of ability or judgment due to alcohol or drugs. Post-accident alcohol tests shall be administered within eight (8) hours following an accident. A post-accident drug test shall be administered within thirty-two (32) hours following an accident.

An "accident" is defined as an incident involving a vehicle where, as a result of damage:

- 1) a vehicle must be transported away from the site of the accident; or
- 2) a vehicle cannot depart from the site in its usual manner without some repair and/or maintenance; or
- 3) a vehicle can depart from the site in its usual manner but will later require some repair and/or maintenance for safe operation; and/or
- 4) bodily injury occurs to the driver and/or another individual(s): which requires medical attention to said driver and/or another individual; and/or which results in death.

- d) "Legal Drug" includes prescribed drugs and over-the-counter drugs which have been legally obtained and are being used for the purpose for which they are prescribed or manufactured.
- e) "Illegal Substance" means any drug which is not legally obtainable, or which is legally obtainable but has not been legally obtained. The term includes prescribed drugs not being used for prescribed purposes.
- f) An employee is "Under the Influence" of an illegal substance, alcohol, or legal substance that interferes with an employee's ability to perform their essential duties, if any measurable amount of a substance, or a metabolite of that substance, is detected in the employee's circulatory system through a blood analysis, urine screen, or saliva test.

General Information / Process:

- a) District will make every effort to protect the confidentiality of drug and/or alcohol test results.
- b) Non-Compliance with a supervisor's request to submit to a fitness for duty test and/or drug or alcohol test under these policies, noncompliance with a supervisor's request that the employee leave the work area, or any other reasonable request designed to safeguard the quality of care, the working environment and/or safety of the workplace, the employees or the public, is viewed as insubordination and is subject to appropriate disciplinary action.
- c) Negative test results warrant re-instatement and pay for the time off work, unless other factors warrant termination or discipline, such as an admission of current illegal drug use or poor performance.
- d) Violation of any aspect of this policy may lead to corrective action, up to and including immediate termination of employment. Such violation may also have legal consequences.
- e) All test results will be reviewed by an appropriate licensed medical professional to ensure the positive results are not caused by legitimate use of prescription medication.
- f) Test results are not revealed to outside agencies or employees unless required by legal process including licensing agencies, unless the information is placed at issue in a formal dispute between the employer and employee, to the extent necessary to administer an employee benefit plan (such as a health insurance plan), or where the information is needed by medical personnel to treat an employee during an emergency when the employee is unable to authorize disclosure. (31 C.F.R. 56.20(c).)

- g) An employee suspecting another employee is under the influence, or smells of alcohol, is obligated to inform that employee's supervisor of his/her suspicion

7.10 Employee's Appearance & Dress Standards

All District employees are expected to dress appropriately for their duty environment and maintain good grooming habits and personal hygiene. Failure to maintain personal grooming, hygiene, and/or the wearing of any clothing that interferes with or disrupts the work environment or does not present a professional image within the office setting, is unacceptable.

- a) Employees are expected to report for work in neat, clean attire that presents a professional image. Examples of clothing that do not present a professional image include but are not limited to clothing that exposes the midriff or undergarments.
- b) The District will provide pants, shirts, and laundry service for full-time employees working in the Maintenance or Fire Department. If an employee does not feel the uniform provider can supply appropriate uniform pants, the employee can obtain permission from the Supervisor to provide, maintain, and launder his/her own pants. The District will reimburse the employee for the cost of pants in an amount not to exceed \$60.00 per fiscal year. The District will report to CalPERS annually at the end of the fiscal year total uniform compensation, not to exceed \$750.00, paid to employees hired by Mojave Air & Space Port on or before December 31, 2012, or who are defined as CalPERS Classic Members.
- c) Employees required to wear boots in Maintenance and Fire Department shall be reimbursed for the actual cost of acquiring safety boots in an amount not to exceed \$80.00 per fiscal year.
- d) Any employee who comes to work in clothing that does not meet the above standards will be required by his or her supervisor to take immediate corrective action, which may include being asked to go home and change into appropriate attire. Leave without pay will be charged for time away from work.

7.11 Use of District Property

Employees are expected to use the District's property only for business purposes. This means personal telephone calls should be kept to a minimum, and employees should discourage friends and relatives from calling during business hours, unless there is an emergency. Personal long-distance telephone calls are prohibited. Personal use of District supplies is to be kept to a minimum. When an

employee leaves the District's employ, the employee must return all keys, documents, manuals and correspondence belonging to the District.

7.12 Harassment

- a) Verbal, physical, visual and sexual harassment of co-workers, co-employees and members of the public is absolutely forbidden. Harassment can take many forms. Employees must be sensitive to the feelings of others and must not act in a way that might be considered harassment by someone else. A few examples of prohibited harassment (for illustrative purposes only) are:
 - 1) Verbal (racial, sexual or ethnic jokes and insults);
 - 2) Physical (sexually suggestive or unwelcome touching, or obscene gestures); and
 - 3) Visual (insulting cartoons, sexually suggestive or lewd pictures or photographs).
- b) Sexual harassment may consist of unwelcome sexual advances, deprecating sexual remarks, requests for sexual favors, and other verbal or physical conduct of a sexual nature.
- c) If an employee thinks they or one of their co-workers has been the victim of harassment, the employee must report the incident and the names of the persons to a member of the executive staff immediately. The incident will be investigated. If an employee does not report harassment, it cannot be investigated. Cooperation is crucial. There will be no retaliation against any employee by the District for making a complaint of sexual harassment.
- d) To accommodate the unique nature of harassment complaints, the following informal process is provided to resolve such a complaint at the earliest possible time:
 - 1) Employees wishing to complain of harassment should inform their immediate supervisor and the General Manager of the grievance, preferably in writing. The employee shall inform only the General Manager if the complaint is directed against the immediate supervisor. - f) The General Manager after receiving the complaint shall expedite and direct the investigation of the grievance and review information collected to determine whether the alleged conduct constitutes harassment by considering the record as a whole and the totality of the circumstances, including the nature of the verbal, physical or visual harassment and the context in which the alleged incidents occurred and recommend, in writing, appropriate action as soon as administratively possible, but no longer than thirty (30) calendar days from receipt of a complaint.
