**FROM:** Scott Nave

**SUBJECT:** AB 361 Remote Meeting Resolution

**MEETING DATE:** December 6, 2022

## **Background:**

The Governor's executive order suspending certain requirements of the Brown Act regarding board meetings has expired, but the proclamation of a state of emergency is still in place. The Legislature has amended Govt Code 54953 to include provisions allowing remote meetings during a state of emergency under certain conditions. The attached resolution allows the Board to continue meeting remotely until the state of emergency is lifted and social distancing is no longer recommended or required. If the Board adopts the resolution, it will have to renew the resolution every 30 days.

# **Impacts:**

Fiscal: None

Environmental: This action does not constitute a project and is not subject to CEQA

Legal: None

# **Recommended Action:**

The Board has two options:

- 1. The Board may adopt the resolution and continue with remote meetings during the month of December through, January 4, 2022, or until the state of emergency is lifted; or
- 2. The Board may not adopt the resolution and resume holding meetings in compliance with the requirements of the Brown Act.

#### RESOLUTION NO.

A RESOLUTION OF THE BOARD OF DIRECTORS OF MOJAVE AIR AND SPACE PORT PROCLAIMING A LOCAL EMERGENCY, RATIFYING THE PROCLAMATION OF A STATE OF EMERGENCY, AND AUTHORIZING REMOTE TELECONFERENCE MEETINGS FOR THE MONTH OF DECEMBER 2022

WHEREAS, Mojave Air and Space Port (the "District") is committed to encouraging and preserving public access and participation in meetings of the Board of Directors; and

WHEREAS, Government Code section 54953, as amended by AB 361, makes provisions for remote teleconferencing participation in meetings by members of a legislative body, without compliance with the requirements of Government Code section 54953, subject to the existence of certain conditions; and

WHEREAS, a required condition is that there is a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing; and

WHEREAS, Governor Newsom declared a State-wide state of emergency due to the Covid-19 pandemic on March 4, 2020, which declaration is still in effect, and state and local health officials continue to recommend social distancing; and

WHEREAS, the Board of Directors does hereby find that the resurgence of the Covid-19 pandemic, particularly through the Delta variant, has caused, and will continue to cause, conditions of peril to the safety of persons within the District that are likely to be beyond the control of services, personnel, equipment, and facilities of the District, and desires to proclaim a local emergency and ratify both the proclamation of state of emergency by the Governor of the State of California and the Kern County Health Department guidance regarding social distancing; and

WHEREAS, based on the above the Board of Directors of the District finds that inperson public meetings of the Board would further increase the risk of exposure to the Covid-19 virus to the residents of the District, staff, and Directors; and

WHEREAS, as a consequence of the local emergency, the Board of Directors does hereby find that it shall conduct Board meetings without compliance with paragraph (3) of subdivision (b) of Government Code section 54953, as authorized by subdivision (e) of section 54953, in compliance with the requirements to provide the public with access to the meetings as prescribed in paragraph (2) of subdivision (e) of section 54953; and

WHEREAS, all meetings of Board of Directors will be available to the public for participation and comments through virtual measures, which shall be fully explained on each posted agenda.

NOW, THEREFORE, THE BOARD OF DIRECTORS OF MOJAVE AIR AND SPACE PORT DOES HEREBY RESOLVE AS FOLLOWS:

The General Manager, staff, and Board of Directors are hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution including conducting open and public meetings in accordance with Government Code section 54953(e) and other applicable provisions of the Brown Act.

Section 5. Effective Date of Resolution. This Resolution shall take effect December 6, 2022 and shall be effective until the earlier of (i) January 4, 2023, or such time the Board of Directors adopts a subsequent resolution in accordance with Government Code section 54953(e)(3) to extend the time during which the legislative bodies of WBMWD may continue to teleconference without compliance with paragraph (3) of subdivision (b) of section 54953.

# STAFF MEMORANDUM

**TO:** Board of Directors

**FROM:** Scott Nave, Counsel

**SUBJECT:** Tisours, LLC-Hangar 161, Consent to Sublease, Boom Technology

**MEETING DATE:** December 6, 2022

# **Background:**

Tisours, LLC executed a Fifty (50) year ground lease on April 15, 2008 and built Hangar 161. Tisours is requesting consent to Sublease a portion of their hangar and office space to Boom Technology, Inc.

# **Impacts:**

Fiscal: None Environmental: None Legal: None

# **Recommended Action:**

Staff recommends approval of the Consent to Sublease and Authorization for CEO to execute agreement with counsel approval.

#### **CONSENT TO SUBLEASE**

This Consent to Sublease is made as of December 6, 2022 by master landlord Mojave Air and Space Port ("District"), a public entity, *Tisours, LLC.*, as Sublandlord, and *Boom Technology Inc.*, as Subtenant, for the a portion of the premises located at *1062 Flight line, Hangar 161, Mojave, CA 93501*, California ("Sublease Premises"), that Sublandlord leases from Mojave Air and Space Port ("District"), under that Lease dated April 15, 2008, as may be amended (collectively, "Master Lease").

District consents to the subletting of the Sublease Premises by Sublandlord to Subtenant as set forth in the Sublease, attached hereto as Attachment 1, subject to the following mutual agreements between District, Sublandlord, and Subtenant:

#### 1. Character of Consent

This Consent is not, and will not be, deemed or construed as, a consent to any future sublease, a consent to any other assignment, subletting, or other transfer, a consent to a sublease term beyond the term of the Master Lease, or a renewal or extension of the Sublease. This Consent is not, and will not be deemed or construed to modify, waive, or affect any of the provisions, covenants, or conditions of the Master Lease, waive any breach of the Master Lease or any of the rights of District, or enlarge or increase District's obligations under the Master Lease.

#### 2. Scope and Conditions of Consent

In granting this Consent, it is understood and agreed that (a) District does not consent to or approve of any term, provision, covenant, or condition in the Sublease, and District will not be bound by the Sublease, (b) no rights will be granted to Subtenant under the Sublease that are greater than those granted to Sublandlord under the Master Lease, and (c) the Sublease will be subordinate to the Master Lease and this District's Consent; in the event of any conflict between the terms and provisions of the Master Lease or this District's Consent and the terms and provisions of the Sublease, the terms and provisions of the Master Lease or the District's Consent, as applicable, will prevail.

#### 3. Assumption of Sublandlord's Obligations

For the benefit of District and Sublandlord, Subtenant expressly assumes and agrees to perform and comply with every obligation of Sublandlord under the Master Lease applicable to the Sublease Premises, including, without limitation, Sublandlord's obligation to indemnify District pursuant to Sections 9.4 and 22.20 of the Master Lease. Neither this assumption by Subtenant, the Sublease, nor this District's Consent will release or discharge Sublandlord from any liability under the Master Lease, including, without limitation, the payment of rent and other amounts when due under the Master Lease, and Sublandlord will remain liable and responsible for the full performance and observance of all the provisions, covenants, and conditions in the Master Lease to be performed and observed by Sublandlord. Sublandlord will not be released from any liability under the Master Lease because of District's failure to give notice of default under or in

respect of any of the terms, covenants, conditions, provisions, or agreements by the Master Lease. Any breach or violation of any provision of the Master Lease by Sublandlord or Subtenant, or both, constitutes a default by Sublandlord under the Master Lease. District may proceed directly against Sublandlord without first exhausting District's remedies against Subtenant, or District may proceed directly against Subtenant without exhausting District's remedies against Sublandlord.

#### 4. Obligations of District

District will not be liable for any cost or obligation of any kind arising in connection with the Sublease, including, without limitation, brokerage commissions, improvements to the Sublease Premises, or the security deposit required to be made by Subtenant under the Sublease. Sublandlord and Subtenant jointly and severally agree to indemnify, protect, defend, and hold District harmless from all claims, losses, liabilities, costs, and expenses, including attorney's fees, that District may incur as a result of any claim to pay any person or entity any commission, finder's fee, or other charge in connection with the Sublease. Further, Subtenant warrants that Subtenant has dealt with no brokers in this transaction.

#### 5. Termination of Sublease

On the effective date of the expiration of the term of the Master Lease, or Sublandlord's surrender of the premises under the Master Lease to District, the Sublease and its term will immediately terminate, and Subtenant must vacate the Sublease Premises on or before the effective date of the termination. If Subtenant fails to vacate the Sublease Premises, District will be entitled to all the rights and remedies available to a landlord against a tenant wrongfully holding over after expiration of the term of a lease without consent, including, without limitation, the rights and remedies available to District under the Master Lease. District will not be liable to Sublandlord or Subtenant for any claim or damage because of the termination.

#### 6. Continuation of Sublease

Regardless of anything stated in Section 5 above, if the Master Lease expires or terminates for any reason during the term of the Sublease, or if the Sublandlord surrenders the Master Lease to District during the term of the Sublease, District has the option, on written notice delivered to Subtenant not more than thirty (30) days after the effective date of the expiration, termination, or surrender, and without any additional or further agreement of any kind by Subtenant, to elect to continue the Sublease with the same effect as if District and Subtenant had entered into a lease for that date and for a term equal to the then unexpired term of the Sublease, and on the same terms and conditions in the Sublease. In that event, Subtenant will attorn to District, and District and Subtenant will have the same rights, obligations, and remedies under the Sublease as were had by Sublandlord and Subtenant. However, in no event will District (a) be liable for any act or omission of Sublandlord, (b) be subject to any offsets or defenses that Subtenant had or might have against Sublandlord, (c) be obligated to cure any default of Sublandlord that occurred prior to the time that District succeeded to the interest of Sublandlord under the Sublease, (d) be bound by any payment of rent or other payment paid by

Subtenant to Sublandlord in advance of any periods reserved for that in the Sublease, (e) be bound by any modification or amendment of the Sublease made without the written consent of District, or (f) be liable for the return of any security deposit not actually received by District. Neither District's election under this section nor its acceptance of any rent from Subtenant will be deemed a waiver by District of any provisions of the Master Lease and this District's Consent.

#### 7. Compliance with Sublease

If District elects to continue the Sublease pursuant to Section 6, Subtenant will observe and perform (a) each of the terms, covenants, and conditions of the Sublease that District designates to be observed and performed, and (b) any other terms, covenants, and conditions to which the parties may agree.

#### 8. Insurance

Subtenant will carry the insurance policies required to be carried by Sublandlord pursuant to *Article 9* of the Master Lease and will deliver evidence of that to District prior to occupancy. The insurance will (a) name District and Sublandlord as additional insured; and (b) provide that the policy will not be subject to cancellation or change except after thirty (30) days' prior written notice to District and Sublandlord.

#### 9. Absolute Assignment of Rents

Sublandlord unconditionally assigns to District all rents now due, or which may later become due, under the Sublease (collectively, "Rents"). Sublandlord acknowledges that the assignment is present, absolute, and unconditional. Accordingly, District will have the right to collect the Rents and to apply them in payment of any sums payable by Sublandlord under the Master Lease. However, Sublandlord will have a license to collect the Rents until the occurrence of an act of default by Sublandlord under the Master Lease. If the act of default occurs, Sublandlord's right to collect the Rent will be suspended until the default is cured. During the period in which Sublandlord's right to collect the Rents is suspended, District, as assignee and attorney-in-fact for Sublandlord under the Master Lease, or a receiver for Sublandlord appointed pursuant to District's application, will have the right to collect the Rents and apply them toward Sublandlord's obligations under the Master Lease. District's acceptance of any payment on account of Rent from Subtenant as a result of any act of default does not release Sublandlord from any liability under the terms, covenants, conditions, provisions, or agreement under the Master Lease.

# 10. Excess Rents

Sublandlord will pay to District fifty percent (50%) of the difference between (a) the rent payable by Subtenant to Sublandlord under the Sublease and (b) the base monthly rent payable by Sublandlord to District with respect to the Sublease Premises under the Master Lease. The Sublease "rent" shall include all payments made by Subtenant to Sublandlord for subleasing of the Sublease Premises. Sublandlord will submit such payment to District on the first day of each

month with Sublandlord's rent payment to District. Sublandlord shall immediately notify District of any change in the rental amount of the Sublease.

#### 11. No Consent to Alterations

Sublandlord and Subtenant acknowledge: (a) that District's Consent is not a consent to any improvement or alteration work being performed in the Sublease Premises; (b) that District's Consent must be separately sought and will not necessarily be given with regard to alteration work being performed in the Sublease Premises; and (c) and that if consent is given it will be subject to Sublandlord's signing District's standard form of Agreement with respect to work being performed by persons other than District, unless otherwise agreed to in writing by District.

#### 12. Legal

This Consent is made and to be performed in Kern County, California, and the parties irrevocably consent to the jurisdiction of the appropriate federal or state court located in that County. In any legal action or proceeding arising from this Consent, the prevailing party shall be awarded its cost, expenses, and fees, including reasonable attorney fees, incurred in the action or proceeding, on appeal, and/or in the enforcement of a judgment.
