Bring in PROSPERITY

Thank you to all of you who are able to give. Thank you to all of you who hoped to give, but could not. We share our Joy and blessing with you.

Inspiring Adolescence, Inc. is a 501c3 nonprofit organization created by a veteran who wishes to continue to serve in ways that would make a difference.

Starting from nothing and building into something is what a Supply Sergeant does and it is sometimes hard to just stop taking care of your comrades; feeding them, clothing them, training them, housing them, and preparing them for a good fight for life to the best of their ability.

Help us, if you can, to create a Thanksgiving meal for those families who may be in need, but afraid to step forward to ask a friend or family.
