

11A.M. – MASP Board Room – Limited Seating – Tickets for a donation at MTM booth
Eileen Shibley, Founder and CEO Monarch, Inc. and head of the Inyokern-led California Unmanned Aircraft Systems Portal team, will present an update on integrating commercial UAVs into civilian airspace. Monarch uses a combination of robotic aircraft, unique cameras, and advanced software to provide customers with detailed maps of land and objects below. Monarch, Inc. designs, engineers, and manufactures unmanned commercial aerial systems for the agriculture, energy, and land survey industries. Will have some information on new FAA regulations for drones, as well!
