

# AIRPORT SECURITY AUTHORIZED SIGNATORY DESIGNATION

COMPANY NAME: \_\_\_\_\_

The following individual(s) are authorized to sign Airport Security Badging Applications and other Airport Security forms. An Authorized Signatory who fails to follow proper procedure may have his or her Authorized Signatory privileges and/or Airport ID badge revoked or suspended.

Please list all active Authorized Signatories for your company. If you are not listed below, you will be removed as an Authorized Signatory. For a list of your company's active Authorized Signatories, please contact the Airport Security Chief. Authorized Signatories are only required to provide a signature if they are a New Authorized Signatory or need to update their signature on file with airport security.
